Dear Children of God,

Ash Wednesday, February 22nd, is a day to focus on our own morality, including **the morality/loss of a loved one. What happens? We grieve.**

While working with terminally ill patients, Swiss-American psychiatrist, Elizabeth Kubler-Ross described the grief cycle in her book, On Death and Dying in 1969.

The first stage is **Denial**, which helps us survive the loss. The world seems meaningless and overwhelming. Denial helps us cope and survive and pace our feelings of grief. Another stage of grief is **Anger**. There are other emotions under the anger and we will get to them, but first it is important to be willing to feel the anger. Anger can be shocking to us, anger at all kinds of things, including God. The anger is an indication of the intensity of our love for the one who was lost. **Bargaining** is the stage of grief where we desire a temporary truce, and guilt is often bargaining's companion. I should have, I could have, I would have, what if, if only, if only.... I had done things differently. **Depression** is not a sign of mental illness but a normal and appropriate response to great loss. Empty feelings present themselves and can settle in for a season. We are sad and tired; why? Because our body is expending energy dealing with the depression caused by grief. **Acceptance** is not being "Ok" with our loss but rather accepting the new reality that our loved one is physically gone from this life. This is the new norm and we are learning to live with it. (www.grief.com)

Grief is not a straight process. We may shift in and out of each area of grief in a moment of time. A picture, a memory, a smell sets off a new "wave" or area of grief. **What are we to do?**

Talk to our family and mature Christian friends. Talking is a great step of healing. **Turn to Holy Scripture** and see what grace is available in the midst of our loss. The Cross, Resurrection and 2nd Coming of Savior Jesus Christ brings healing and security. **Pray** - Take our hearts to our Father in Heaven, even if it means letting Him know how angry we are! Finally, **Exercise**; for example, taking long walks is very helpful in processing the grief in our hearts.

Members and Friends of Trinity are invited to call me anytime. 843-631-0141 cell.

Love, Know and Serve Him,

The Rev. Wey Camp, Rector

Love the Lord - Worship

Today is a beautiful January day, a tease to make us think of spring. Before we get there though we have Lent coming up. During Lenten season we use greens only. It has turned out that our members are more than up to the creative challenge. Our sanctuary is a perfect backdrop for the beauty our Lord has provided. Add to that two beautiful sweetgrass baskets that have been gifted in honor of Ellie Howard. Ellie has made too many contributions of time and talent to list. We are blessed to have her and thankful for her love of flowers.

We thank all who came out to help decorate both the sanctuary and Meech Room for Christmas. This is an awesome crew who take the task and run with it. We were completely done in a decent amount of time. Not only that, but the arrangements survived freezing cold on Christmas Eve and stayed beautiful until Epiphany!

Thank you Trinity for your generosity and love of this Church.

Blessings

Welcome Alton Cox! - Welcome on board Alton Cox as our new Organist/Music Director! Caroline Matheny Eynon remembered Alton from his interim time with us years ago and reached out to him. Well done Caroline! Alton has great gifts and talents in vocal leadership and piano accompaniment but is also growing tremendously in his skill as an organist! Alton grew up in Florence, SC, attending Wey's High School rival - South Florence High School (Wey attended West Florence). By the way, the South Florence football team won the state championship this past season! Alton has years of experience in Broadway musicals, cruise ship entertainment, church musical leadership and most recently as the music/choral director of The Cooper School in Charleston. Please speak to Alton and welcome him into the Trinity Family!

“No Homework” Bible Study

Come join us for the “No Homework Bible Study on Monday mornings at 9:45am. Men and women are invited! We gather in the parish library. Our class is led by the Holy Spirit. God’s Word is a treasure to be searched and revealed. It is a privilege to have the opportunity to do this together. **Each week stands on its own**, so come as you are able.

In recognition of the water of life received from the Word each week, the **Monday No Homework Bible Study’s** outreach ministry is the digging of wells through **Life Outreach International/ Water for Life** which provides life, bringing clean water to areas in third world countries where there is none. Our Bible Study has decided to make weekly offerings that will be added to an end-of-the-year gift. This is a tangible way we acknowledge the nourishment of the water of the Word in our lives. In 2022 we collected \$942 for Water For Life.

Also, please continue to save the pop tops off beverage cans and soup/vegetable cans. We give them to the Ronald McDonald House who use the proceeds for various projects. There is a jar on the table outside the office where they can be deposited.

We hope you will join us each Monday as we discover the treasures God has to meet all of life’s challenges!

Cursillo

in the Anglican Diocese of South Carolina is now

SC Anglican Fourth Day Cursillo

What is Cursillo?

- “Cursillo” is Spanish for “a short course.” It is a movement of the church. Its purpose is to help those in the church understand their individual callings to be Christian Leaders.
- Cursillo is not designed to meet every spiritual need of every individual or group in the church. It is designed for the participant to “get away” from the daily routine, to listen to the Spirit and live for three days in Christian Community so that through study, worship, fellowship and introspection, one might sense the deeper calling of Christ in their lives to further service in His Church and know how to move forward on this journey.
- The overall goal of Cursillo is the goal of the Church: to bring all to Christ. This is done when informed, trained Christians set out with the support of others having a similar commitment. The Cursillo Weekend takes people who are already Christians and gives them foundational training based on the New Testament Christianity and helps them further discover their own “apostolic calling” based on their individual spiritual gifts!
- But most of all the Cursillo Weekend is about experiencing the unconditional Love of Jesus and Christian brothers and sisters in a way that you probably never have before. It is a taste of “Heaven on earth” and it is very often a life-changing event for participants!

SOWING CIRCLE

The Sowing Circle met in January to begin our project of making walker and wheelchair pouches for veterans at the Victory House in Walterboro. We had 9 women who measured, cut, ironed and sewed.

Catherine Samulski is leading us in a knitting project to make small prayer squares that can be given with a preprinted prayer to the sick or shut-ins. She is looking for people that can knit (or want to learn to knit) to help with this project. She has preprinted directions. We also blessed 3 more incubator covers for Anne to take to MUSC for the babies.

FEBRUARY will be a busy month for the Sowing Circle. We will be meeting TWICE! - Wednesday February 1, 2023 from 1 - 3 and Saturday February 18, 2023 from 10-12 in the Sewing room in Ms. Jane's building. We will be finishing up the pillowcases for the Lowcountry Orphan Relief and will tie some fleece blankets for them. Bring your machine, scissors or just yourself.

Join us for either or both of these meetings. You will be doubly blessed - once for serving in these tangible ways of showing God's love to others and once as you work together with other women.

Questions please call either Jan Dossett 843-271-8045 or Beverly Cummings 843-217-0648.

A Busy January on our Campus !

Grave Stone Matters and Trinity volunteers have been restoring and cleaning tombstones in our historic cemetery. This was a huge undertaking and is not yet complete. Family and Friends of Trinity will continue the work in order to continue to preserve the markers in the cemetery for generations to come.

A special thank you to Jim Murray of Edisto and Donald Colby of Meggett for volunteering their time and working with us for the entire week

A number of Trinity Family members came out to learn how to clean and restore the markers. This group will lead the charge to keep the Trinity cemetery looking its best.

The Vestry also approved the clearing of the back of our property around our Carolina Bay.

Having this property cleared will open up a variety of opportunities for using that area in the future. The next step will be bringing in fill dirt and good soil and finally the sowing of Rye seed. The hope is to have this area green by Easter. Take a drive behind the church the next time you are there and see all the work that has been done. Thank you to The Vestry, **Robby Jenkins**, Landscape Coordinator and **Batson Hewitt Jr.** and crew for all the work to make this happen!

A Special Work Day - You are Invited!

The Grounds Beautification Committee and the Cemetery Committee will host a **Work Day on February 18th, from 9:30am - 4pm**. Lunch will be served about 12:30pm. If you cannot commit for the entire day, any time you can stop by and pitch in will be welcome.

We need volunteers to clean tombstones, as well as pruning of camellias and removal of dead plant material that suffered from the severe freeze at Christmas. No experience necessary. We will show you everything you need to know. It is our extreme wish to finish the job of cleaning the stones and prepare our grounds for the burst of new growth that will

surely follow in March.

Cleaning the headstones is not hard work, but it is a bit messy. So wear old clothes and shoes. If you have a short plastic stool bring it to sit on, and I recommend good rubber gloves.

Please join us as we work to restore the beauty and history of our graveyard.

Jan Myers, Grounds Beautification, Robby Jenkins and Haynes Kendall, Cemetery Committee
